Littlehaven Infant School

IT Code of Conduct - Internet Use

- Always tell an adult if you see something online that you know is wrong or that makes you feel uncomfortable.
- Never give out any personal information about yourself.
- Never agree to meet up with someone you have met on-line.
- Always report a cyber bully to an adult.
- Always save nasty messages but do <u>not</u> reply to them.
- Never send pictures of yourself to people you don't know.
- Always check with an adult before you open a message from a sender you don't know.
- Never share your secret password with other people; treat it like your toothbrush and keep it to yourself.
- Always ask an adult before agreeing to enter competitions or accept prizes.
