

19th November 2019

Dear parents,

Our latest mysterious visitor to Year 1/2 has been Biscuit Bear! He appeared in class with a message attached, which read, 'Please look after me!' Since then we have made our own Biscuit Bear and decorated it.

Biscuit Bear then asked us to help him decide on the most suitable material for a coat. Anyone that enjoys dunking biscuits in hot drinks would realise that Biscuit Bear wouldn't want to get wet! Our scientific investigation tested different materials to see if they were waterproof, with some interesting results.

In maths we have completed our work on money (including change) and have moved on to multiplication.

We have been looking at writing instructions. The children ended up writing fictional instructions for 'How to catch a Gingerbread Man,' 'How to trap a Troll,' or 'How to trap a Giant.'

Please help at home by –

- Reading and sharing as many books as possible.
- Practising spellings.
- Learning doubles and pairs of numbers that make 10. Adding any 2 single digit numbers quickly!

Thank you for your support,

The Year 1/2 team

Our Celebration of Work for this term will be in the classrooms at 2.45pm on Thursday 5th December. We hope you are able to join us then to share our work from this term.

We have postponed the Take Away Task (writing an imaginative story) until Friday 29th November. We will create a storyboard in class with the children this Friday so that they all have something to work from, if they haven't already started.
