The Squeaky Sail

The Seven Seas

June 2019

Ahoy there me scurvy shipmates!

I write to ye aboard my magnificent galleon, the Squeaky Sail. Me crew and I were sailing the seven seas ready to rob and pillage from any ship that dared sail too close when there was a major mishap. You won't believe me when I tell ye. Me crew only went and made off with the booty! Aaaaaarrghhhhh!

The filthy bilge rats took me loot and joined another crew. Shiver me timbers! They'll soon be swimming with the fishes... Now I'm alone on the Squeaky Sail with no buccaneers to help me keep things shipshape and am looking for some new lads and lasses to give me a hand. I'm hoping that whoever gets this will be brave enough to help me out? You've got to be better than the last rotten scallywags...

So, me hearties! If you dare to join me crew, I have come up with some challenges for you to complete and prove you are worthy.

Heave ho!

Yours fearsomely,

Captain Britton 'Lionheart' Crawford
