

Down we go and make
a loop,

Number six makes a
hoop.

Across the sky and
down from heaven,

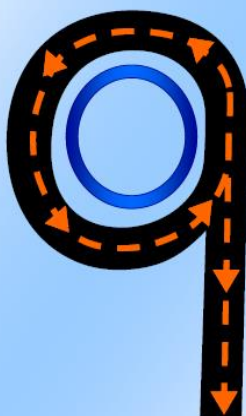

That's the way we
make a seven.

Make an 's' and do
not wait

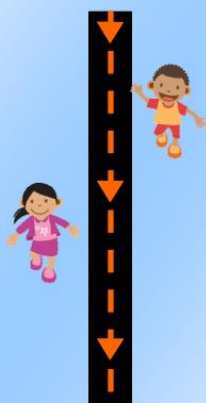

When it's joined up
you have an eight.

Make a loop and then
a line,

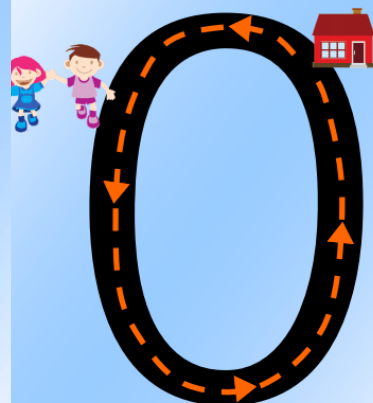

That's the way we
make a nine.

Start at the top and
down we run,

That's the way we
make a one.

Around and round and
round we go,

When we get home we
have a zero.

Key tip:

If you say the rhymes as you write them, it will help you to write
them the right way round!
