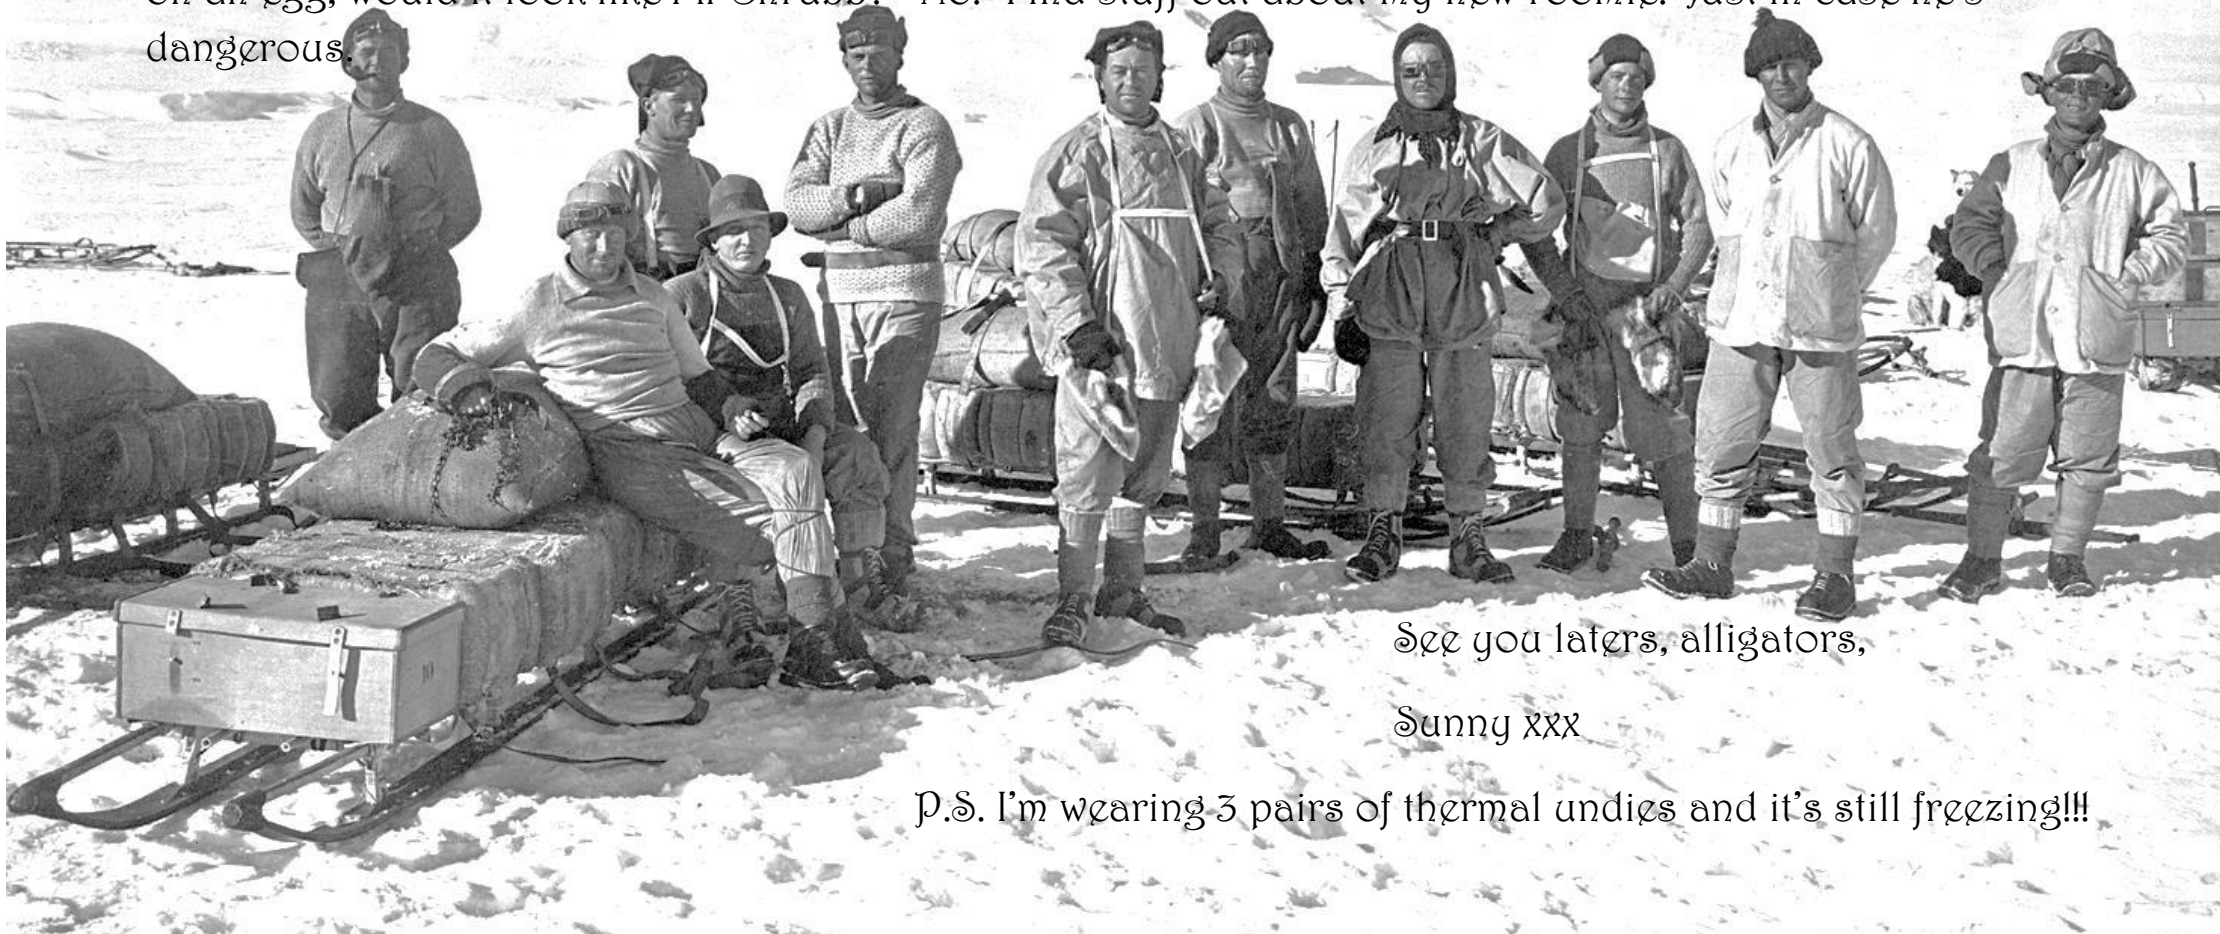
I did it! I jumped in the blue box , pressed every button and lever I could find, then everything went upside down and inside out and I ended up in a very strange place! Turns out I'd gone into a time machine! Who would have guessed that?

So now I am in a place that I'm not enjoying too much. No doubt you can see why! Brrrrrrrrrrrr!

You should receive a photo or two of the man I'm sharing a room with, although he doesn't know that yet. I don't mean to be rude but he does smell a bit so maybe they don't have lovely, warm baths here.

Look at the photos yourselves and see what you can see. If you are real history detectives, maybe you can find some stuff out. Not stuff like 'How many children can you fit in a rubbish bin?' or 'If you painted a face on an egg, would it look like Mr Shrubb?' No! Find stuff out about my new roomie. Just in case he's dangerous.



See you laters, alligators,

Sunny XXX

P.S. I'm wearing 3 pairs of thermal undies and it's still freezing!!!
